

OUR CLUB.
OUR ACCESS STATEMENT.

2021/22 SEASON

Introduction

Welcome to The Hawthorns, the home of West Bromwich Albion Football Club, we are looking forward to sharing our facilities with you and helping you to enjoy the matchday experience.

We are proud of our inclusive, diverse fan base and we are committed to providing class leading services and facilities to all disabled supporters in and around all our premises.

The information contained within this statement is not intended to be exhaustive and should you have any queries or concerns while visiting then please feel free to raise your concerns with any member of staff immediately or one of the named people on page 26.

So whatever the result on the pitch we just hope you have a great day with us at West Bromwich Albion!

How to get to us

By Bus

- The stadium is served by the number 74 bus operated by Network West Midlands.
- The 74 service runs at a frequency of every ten minutes with a journey time of approximately 24 minutes to Birmingham City Centre.
- The 74 bus service operates between Birmingham City Centre and Dudley, with calling points at Handsworth, West Bromwich and Great Bridge as well as on the Birmingham Road, directly outside The Hawthorns.
- The buses operated by Network West Midlands are all low floor vehicles (this means they can be lowered to pavement level when the bus stops and the door opens) and each bus has a minimum of one dedicated wheelchair space.
- All buses have clearly marked priority seats for anyone who needs them. These priority seats have more legroom than a standard seat, and there is space underneath for an assistance dog.
- The bus floor is non-slip and there are colour-contrasting handrails on the side of each door, with horizontal handrails in the gangway areas.
- A dedicated wheelchair space is normally located on the right hand side of the bus. To travel safely, you'll have to reverse into the space with the back of your wheelchair against the backrest. The wheelchair brakes will have to be applied too, as no additional restraint system is available. There's a horizontal handrail on the right hand side of the space, with a vertical handrail on the left side. When the bus approaches your stop, you can press the bell push button located on the handrail which alerts the driver that you want to get off. There will be a sound and a sign will illuminate to indicate that the bus is stopping. The bus will pull into the kerb and the driver will put out the access ramp.

Fans are reminded that buses can get very busy on matchdays.

Further information can be found on the [National Express West Midlands website](http://nxbus.co.uk), then select Journey Planner to find out exactly which buses can get you from home to the match - <http://nxbus.co.uk>

How to get to us

By Tram

- Every tram has been designed to enable easy access and there is level access between the tram and the platform edge. The trams have bright, colour-contrasting doors and handrails, priority seats for disabled people and people with mobility difficulties, two spaces for wheelchair users, next stop visual information and audio announcements. A customer service representative is always on board so please approach them if you need help.
- If you're a wheelchair user, you'll be able to travel on public transport provided your wheelchair conforms to International Standard ISO 7193 (maximum length 1200mm and width 700mm). Trains used by London Midland only allow wheelchairs with the footrests folded to be carried, provided they fall within the dimensions of 1000mm length and 700mm width.

How to get to us

By Car

A comprehensive matchday travel plan is in place which results in a single lane of the A41 directly outside of the stadium and Halfords Lane being closed off to all traffic 95 minutes prior to kick-off. These closures remain in place for up to one hour after final whistle.

Albion Matchday Parking

- Numerous car parks are available around the stadium, of which many are operated by private businesses and may not always be suitable for wheelchair access etc.
- Within close proximity are East End Foods (Birmingham Road), ECP (adjacent to The East Stand) and former Pipe Centre (Adjacent to McDonalds).
- Disabled supporters who have tickets for the East Stand Executive Suites and are Blue Badge holders can also park on the main car park - restricted numbers so please contact the club in advance.
- Away fans are encouraged to park on the east side of the stadium adjacent to Middlemore Road to ensure a smooth exit following the fixture.
- There a limited number of parking spaces for Blue Badge Holders on the Sandwell Academy Car Park but these must be pre-booked online - please contact the ticket office.
- Parking here would also mean approximately a 10 minute walk along Halfords Lane to the The Greggs Outlet and lead directly to the designated Disabled Access entrance on the corner of the West Stand and the Birmingham Road End. Designated Stewards at this entrance will assist supporters with access.
- There are a number of privately operated car parks in close proximity to the stadium but WBAFC has no responsibilities for their operation and or opening / closing times.

How to get to us

Disabled Away Supporters arriving by Coach

Generally Away coaches are instructed to park at a designated area on Middlemore Road; however this does leave disabled supporters negotiating a relatively steep ramp access up to the away end of the stadium.

If organisers contact the Club in advance then arrangements can be made with the West Midlands Police that allows for drivers to use designated drop-off / pick-up points for their Disabled Supporters.

This is directly outside the Disabled Supporters Access entrance on the corner of the West Stand and Smethwick End.

The Stadium and Facilities

Where and how to buy tickets

The main ticket office is located at the East Stand; it is on the level and accessible via two sets of double manual doors (very slight threshold of less than 3cm). Once inside the floor is level and spacious.

The Ticket Office entrance and exit are fitted with powered automatic doors to allow ease of access and egress

There is a low level counter for easy communications and staff trained in customer service to fans that have disabilities.

For some matches the Club also opens Ticket Kiosks located on the East Stand Car Park but this would be advertised in advance.

Disabled Supporter Season Tickets - Below are the requirements in order to purchase a disabled ticket:

- Receipt of the middle or higher rate of the Disability Living Allowance (mobility or care component) (ideally a letter from the Department of Work and Pensions)
- Receipt of the standard or enhanced rate of daily living component of the Personal Independence Payment (PIP)
- Receipt of the enhanced rate of the mobility component of the Personal Independence Payment

- Receipt of the middle or higher rate of either the Severe Disablement Allowance, the Employment and Support Allowance or the Attendance Allowance (ideally a letter from the Department of Work and Pensions)
- A specialist personal letter from your GP to confirm the nature and details of your relevant disability and to confirm that you are in receipt of support services and the details of such support services
- A BD8 Certificate (blind & partially sighted supporters only).
- Currently we offer discounted prices on a seasonal basis which include a free personal assistant, applicable to wheelchair or ambulant. Prices as follows:

• West Stand	£200
• East Stand	£200
• B/ham Road	£180
• Smethwick End	£180
- Match tickets are discounted and also include a free personal assistant, for wheelchair & ambulant.
- Note: Disabled Supporter Season Tickets can be renewed online but new applicants or match tickets have to be purchased via the ticket office in order to provide proof of disability.

Disabled Supporter match day tickets are available for the Birmingham Road, Smethwick End, East Stand and West Stand.

The Stadium and Facilities

Home Matches

- Supporters with disabilities can also purchase match tickets by the usual routes online.

Away Matches (West Bromwich Albion)

- Supporters with disabilities will be required to fill in an application form over the phone or in person at The Hawthorns East Stand ticket office for each game.
- We will endeavour to provide a coach that has wheelchair access where possible.
- As there is limited availability for away matches, tickets may be allocated on a loyalty point basis. Supporters will be informed if they have been successful with their ticket application.

Away Supporters visiting The Hawthorns

- Whilst your own actual travel arrangements need to be booked via your own Club we would encourage you to contact WBAFC should you have any specific requirements i.e. guide dogs / assistance dogs drinking bowls etc.

Contact Details

For further information, please contact Disability Liaison Officer Liz Massey, email liz.massey@wbafc.co.uk or contact the Ticket Office on 0121 227 2227.

The Club Shop and Outlets

The Stadium Megastore is located in the East Stand and the shop entrance and exit are fitted with powered automatic doors to allow ease of access and egress. (very slight threshold of less than 3cm). The doors are manned on match days.

Inside it is spacious and level and can easily be navigated.

Store staff are happy to assist if required, there is a low counter, good lighting and the tills are outward facing. A changing room is on the level and accessible.

The store is very busy on matchdays but is considerably quieter between 12pm and 2pm typically or a short time after the game has finished.

There is currently no loop system available in the Store or Outlets, however a portable system is available at reception.

Opening Times are:

- Sat (non-match days): 9am-6pm
- Sat (match days): 9am to kick off (open 30mins after the match)
- Mid-week match days: Fixtures to be confirmed via Retail Website
- Sunday (non-match day): 10am-4pm
- Sunday (match days): 10am to kick off (open 30 mins after the match)

Telephone: 0121 524 3473

The Club also has a further outlet for merchandise located on the East Stand Car Park, on the right as you enter from Birmingham Road.

This outlet is only open on matchdays and has ramps and handrails for access.

Pre-match facilities

There are a number of food and drink outlets around the perimeter and approaches to the stadium. Some are privately owned and the club takes no responsibility for those services.

WBAFC does have a site on the corner of Halfords Lane and Birmingham Road that is home to a Greggs, the popular high-street bakery chain, which will also be open throughout the week and also on a home match day. The entrance to Greggs is on the level via a wide double door.

There are entrances and exits via Stewarded wide gates on both the Birmingham Rd & Halfords Lane. The entrance and exit from the Birmingham Rd is from a level tarmac pavement. From the Halfords Lane there is a short and slight incline (if entering) or slope down (if exiting) to pavement level. Care is needed as the road is open to traffic until closed by the Club, the gate Stewards are happy to assist if requested.

3.00pm Kick-off

Accessing The Hawthorns Stadium

THE HAWTHORNS IS A FULLY ACCESSIBLE STADIUM WITH DESIGNATED ENTRANCES AROUND THE GROUND.

The Club embraces all persons with any form of disability and employs designated Disability Liaison Stewards on a match day to ensure that everyone has a positive experience. All four stands have designated wheelchair spaces and the accessible entrances are shown on the map to the right in green.

DEDICATED VIEWING AREAS

The Club provides a number of dedicated viewing areas for disabled supporters; elevated viewing areas are situated in the East Stand and accessible via lifts from the ground floor.

Disabled supporters with tickets for The Birmingham Road Stand and the Smethwick End (the traditional home and away ends) and for both The West and East Stands have access to a number of identified areas for wheelchair users - please contact the Ticket Office for further details.

These areas are accessed via dedicated Accessible Entrances located at the Birmingham Road / West Stand corner and The West Stand / Smethwick End corner. Both Accessible Entrances have ramp access and facilities and are exclusively for disabled fans and assistants and therefore will have little or no queuing to get in.

There are two dedicated concourse facilities for Disabled supporters that are available when entering the two identified Accessible entrances located at the Halfords Lane Disabled Access entrance on the corner of the West Stand and Smethwick End and the corner of the West Stand and the Birmingham Road End.

These facilities incorporate dedicated refreshment ordering and collection points with low counters, TV viewing areas, assessable toilets and level access floor space for socialising. The concourse located at the West Stand and Smethwick End also has a Changing Place Toilet and a Sensory Room.

WBAFC and the Ticket Office staff have identified a number of Easy Access and Amenity Seats in the Stadium, please contact the Ticket Office for further details.

We would ask that, wherever possible, you detail the nature of your disability to our Ticket Office so that we are able to assist your purchase in an informed manner and to offer you seats most suited to your requirements (subject to availability).

Accessing The Hawthorns Stadium

Disabled fans pay entrance fees, but assistants accompanying them are free. However, space is limited so it is important to arrange in advance through the Club.

In the East Stand supporters have an excellent elevated position and the personal assistants sit directly behind.

There are two designated access points for Disabled Supporters who have tickets for the Birmingham Road Stand and the Smethwick End, they are clearly signed and have specific trained Stewards to assist supporters (both wheelchair users and ambulant supporters) and their personal assistants.

< Accessible entrance for the Smethwick End is located in Halfords Lane on the corner between Turnstile block C and turnstile block B.

Birmingham Road and West Stand Accessible Entrance is located on the corner of Halfords Lane and Birmingham Road by Turnstile D. >

East Stand Accessible entrance is located next to turnstiles Block F & Block G.

< If you are a guest for one of the Hospitality Suites in the West Stand on match days there are 2 Accessible Entrances. One Executive Accessible Entrance on Halfords Lane (opposite the FanZone Entrance), this is an ascending ramp access and designated Stewards can assist.

Alternatively there is a further Accessible Entrance located at the opposite end of the West Stand and also manned by designated Stewards.

Both consist of access from the level (very slight threshold of less than 2cm), concrete ramps of slight decline / incline allow access to pitch level and onto designated viewing areas.

The front rows of seats in each of the stands at the two ends of the ground (the traditional home and away ends) are reserved for wheelchair users to be located in front, and ramp access.

At either end of the West Stand there are two dedicated areas for wheelchair users utilising ramp access and easy access to a number of accessible toilets and dedicated disabled supporter concourse facilities.

A hearing loop is available in the Ticket Office and a portable system at reception.

Please contact the DLO if you require this.

Accessing The Hawthorns Stadium

The public spaces and pedestrian walkways approaching and surrounding the stadium are very busy on matchdays and in particular the Birmingham Road and Halfords Lane.

The pavements in the wider surrounding areas can be of varying state of repair but pavements in the immediate vicinity of the stadium are generally good consisting of tarmac paths and drop kerbs.

The main Birmingham Road experiences very heavy traffic at all times and even more so on matchdays and care should be taken when crossing.

The Club put in traffic management on Birmingham Road from 1:30pm onwards, or 6:30pm for evening kick-off's; consists of 2 security gates and cones which restrict traffic to one lane only from East to West and towards the Junction for the M5.

The Club Stewards close Halfords Lane to all traffic from 1:30pm until up to 1 hour after the match.

There is a lovely Memorial Garden located at the far corner of the East Stand Car Park. The garden is where families, friends and visitors can pay respects and leave small memorial items in memory of loved ones. The area is accessible to Disabled Supporters via two small ramps, the pathway is flagged but in good repair at the time of writing.

Supporters with assistance dogs can also use the grassed area to exercise them and we can also provide drinking bowls for dogs ... just ask a Steward.

Accessible TOILETS

Accessible toilets are fitted with alarms, 4 are located in the West Stand / Birmingham Road Accessible ramp area (Home supporters)

- 4 are located in the Smethwick End / Birmingham Road Disabled Supporters Designated Concourse Area (Home and Away supporters)
- 1 further accessible toilet dedicated for away fans only (Radar Key) located externally at the back of A Block (accessible with assistance from Stewards or Personal Assistants due to ramp gradient from pitch level wheelchair spaces)
- There are 4 concourse toilets in the East Stand, 2 with radar keys. Plus 1 further toilet on the first floor and 2 on the 2nd floor which are located at either end of the main corridor (on the level) that serves the Executive Boxes and suites.

There is also a fully equipped Changing Place Toilet located in the Smethwick End / Birmingham Road Disabled Supporters Designated Concourse Area.

Should you require be seating / locating close to the Changing Places facility then please let the Ticket Office staff know so that we can try and accommodate your request.

All concourse toilet blocks in all stands have a dedicated Ambulant Supporters Toilet facility within and the Gents facilities have additional handrails located at either ends of one urinal run per block.

All accessible toilets are equipped and identified as 'Stoma Friendly' to support the Club policy of 'Not all disabilities are visible'

Should you require us to store your wheelchair for you whilst you watch the match then please let us know so that we can accommodate your request.

Matchday Catering

- There are 5 refreshment kiosks in the East Stand serving a range of drinks and food, all have low counters and staff will be happy to assist (there are also a number of Betting Kiosks in all stands and some have low counters).
- The Smethwick End has 2 refreshment kiosks, 1 serves the Away supporters and 1 serves the Home Supporters. Neither of the refreshment kiosks in the Smethwick End are Disability Accessible for wheelchair users independently.
- Should Away Disabled Supporters who are wheelchair users wish to access a Kiosk or meet friends or family on the Away fans concourse then Stewards will assist upon request.
- Disabled Home Supporters who are wheelchair users in the Smethwick End can access the dedicated refreshment kiosk located within the SME & West Stand Accessible concourse.
- Ambulant Supporters will have to navigate stairs but will find a level surface with easy access on the concourse but the concourses are often very busy.
- Should ambulant supporters wish to access the Birmingham Road Concourse facilities specifically then they will need to navigate stairs, there is a level surface on the concourse though it is often very busy.
- As you enter the Accessible entrances located at the Birmingham Road / West Stand and the West Stand / Smethwick End there are dedicated Concourse areas available for wheelchair using supporters, ambulant supporters and non-disabled supporters. These areas have dedicated refreshment facilities with low counters, refreshment ordering and collection services and TV viewing facilities
- Again ambulant Supporters will find they will need to navigate stairs but a level surface with easy access on the concourse but the concourses are often very busy.
- The West Stand lower concourse has a further 4 refreshment kiosks but are currently not available to Disabled Supporters who are wheelchair users. Ambulant Supporters will find a limited number of steps to navigate but then a level surface with easy access but as with all the stands the concourses are often very busy.

Corporate Events

West Bromwich Albion prides itself on the services and quality we provide to the public, not just on matchdays but also for special events like weddings or corporate events for the business community.

People with disabilities have access to the full range of conference facilities in the East Stand and access is via the East Stand Main Reception, it is on the level and reception / security staff will assist in passing through the security process.

- Access to conference rooms via 2 staircases for ambulant persons who are happy to use them.
- Alternatively there are 3 lifts available to access the 1st and 2nd floors; the middle lift is a 'talking lift'.
- The Bassett Suite, on the 2nd floor has a bar with low counter; there are no low counters in other conference suites. All bar staff will happily assist. On matchdays we have waiter/waitress service in the Richardson and Millichip Suites.
- Hearing loops are available in the Richardson and Millichip Suites.
- Conference suites are on the level, wide doors for access and spacious once inside.

Should you require a chair that is equipped with arms please let us know so that we can accommodate your request.

Executive Suites & Boxes

There are a number of Executive Suites in the West Stand on the 2nd floor and Executive Boxes in the East Stand 2nd Floor.

- The West Stand Executive Suites can accommodate disabled guests and access is via the Executive Area Accessible entrance and on matchday this is staffed by security personnel that will assist you. There is a lift that will take you to the 2nd floor where it is a level landing that leads through wide double doors to a corridor and onto all the Executive Suites. Further Security personnel are on duty and will assist with doors and directions to the relevant suite; all flooring is carpeted but the corridor is level and wide enough for wheelchair users.
- If you are a guest in one of the Executive Boxes located on the 2nd floor of the East Stand then these can be accessed via 3 lifts from main reception, the middle lift being a 'talking lift'.
- Reception/security staff will be on hand to assist you, the corridors and floors are level and wide enough for wheelchair users.
- There are 28 Boxes, access is via a single door but wide enough for wheel chairs, once inside the room is on the level with one further door leading to a balcony with views of the pitch.
- On matchdays and with prior notice a number of seats can easily be removed and wheelchair users can enjoy a superb view of the pitch from the balcony. We stress that we would need advance notice to ensure we can accommodate your request. This applies to both the East and West Stand.

Programmes

ALBION'S AWARD WINNING MATCHDAY PROGRAMME IS THE ESSENTIAL COMPANION FOR ANY SEASON IN THE PREMIER LEAGUE AND THE UNQUESTIONED BOOK OF RECORD OF THE THROSTLES' HISTORY.

Albion News includes columns from the Manager and players, regular in depth interviews with the current squad, comprehensive match reports, the lowdown on the opposition and all the stats you need to know.

Word versions of the programmes are available upon request from the club, for those who have visual impairments then this may be of assistance.

Match Commentary

The Club broadcasts live in house match commentary for all first team matches within the stadium for visually impaired supporters. The commentary can be picked up on either the supporters own FM radio or one provided by the Club – the frequency is 106.9 FM (away supporters are reminded that commentary might appear to be WBA biased though always entertaining!)

Security & Stewarding

The safety and welfare of all supporters and guests is our main priority at WBA, all our Security and Stewarding staff are NVQ trained and background checked. Additionally all our Stewards undertake a bespoke 'Disability Awareness' training module and key staff have received Dementia Awareness Training.

We have a number of specialist staff members that undertake specific duties such as Disability Liaison, Safety, Fire etc.

We have six Disability Liaison Stewards working the East Stand, West Stand, the Smethwick End and the Birmingham Road Stand and are readily identifiable by White High Visibility jackets with 'Disability Liaison Stewards' markings.

Security on matchdays is a prime focus for the Club and all supporters will undergo checks / searches before entry into the stadium in accordance with the Safety of Sports Ground Regulations.

All WBA staff are trained in customer relations and are only too happy to assist any supporter with any queries and or concerns that you may have ... they are also trained to evacuate the stadium safely in an emergency should we be required to do so, we have extensive plans in place for emergency's and are in regular communications with the emergency services.

The Hawthorns

The football club meets the requirements of the Accessible Stadia Guide.

The club constantly reviews all current arrangements and monitors future best practice developments via the Club appointed Disability Access Officer (contact details in the 'Who to Contact and How' section).

We have undertaken a programme of bespoke training / refresher training staff and match day stewards on Disability Awareness. We also have an online training module available in place for all staff.

There have been significant improvements:

- An increased number of Disability Viewing Areas in the Smethwick End and the West Stand for away supporters.
- A new Accessible Entrance and Concourse located at the Birmingham Road / West Stand corner, plus 2 new accessible toilets and a new Accessible Toilet for away supporters behind the Smethwick End.
- New dedicated Ambulant Supporter toilet facilities have been added in all 4 stands.
- A redeveloped Disability Entrance and Reception Area in the Smethwick End / West Stand Corner that includes a new Sensory Room, additional accessible toilets, a changing places toilet and dedicated disabled supporter concourse facilities.
This entrance is also the Autism friendly Entrance and details are on the Autism Section of the Disabled Website Page.
- A number of specially commissioned raised seats located behind some of the wheelchair spaces in the East Stand.

We are especially looking forward to continually engaging with all Disabled Supporters, listening to your views and to meeting with the WBA Disabled Supporters Club.

The Club Shop and Outlets

An additional Club Store is situated in the Lower Mall, Merry Hill Centre, Brierley Hill DY5 1SY.

The Store is one level and accessed via wide manual double doors with a very slight threshold of less than 3cm .

At Merry Hill Shopping Centre there are:

Sensory aids

- You can find information about their induction loop by visiting the Customer Services desk on the lower mall near Boots and at the Centre Management Suite reception desk on the upper mall.

Disabled parking

- The Centre has plenty of disabled parking spaces spread right across the shopping centre and with most parking spots within easy reach of the main entrances, just don't forget to display your valid disabled badge on your windscreen when parking.

Shopmobility

- There is also Age UK's Mobility Centre on the upper mall near BHS.
- Whether you need a powered wheelchair or a mobility scooter, you can visit the Mobility Centre seven days a week.
- All equipment hire at the Age UK Mobility Centre requires proof of ID and proof of address. For further information on the Shopmobility service then please call 01384 267 007.
- The closest car parks to the Shopmobility centre are at the Odeon Cinema and the multi-storey car park at Primark.
