

# Spring 1 Curriculum Overview

Year 3 + 4

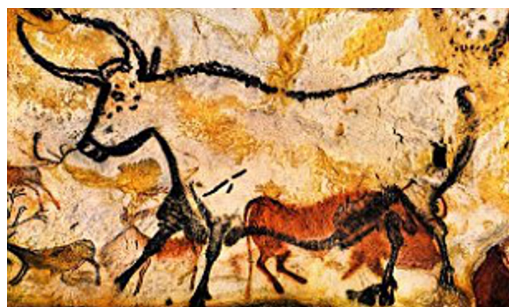

## English

- We follow The Write Stuff to support English teaching at the Regis Academy.
- The Write Stuff is based on two guiding principles; teaching sequences that slide between experience days and sentence stacking lessons. With modelling at the heart of them, the sentence stacking lessons are broken into bite-sized chunks and taught under the structural framework of The Writing Rainbow. Teachers prepare children for writing by modelling the ideas, grammar or techniques of writing.

## Topic

At the start of the new term we will travel back many centuries to find out what life was like in the Stone Age. We will explore rocks and cave paintings.

We will look at visiting Sarehole Mill for an experience day and also create our own Stone Age art.

## Mathematics

- We follow the White Rose Maths scheme at Regis Academy.
- This half term, we will be focusing on, multiplication and division, measurement, fractions and decimals.
- Children also complete Flashback 4 at the start of each Maths lesson to revise and recap basic skills.

## Physical Education

- PE will vary between sports, games and skills

## RE

- This half term, children will be investigating The Five Pillars of Islam. They will identify and describe some stories and sayings of the Prophet Muhammed, showing how they provide an example to live by.

## MFL

- This term, we will be looking briefly into a number of different languages and cultures. We will learn basic greetings and more about each country.

## Science

- This half term, pupils will be looking at different kinds of rock. They will look at how fossils are formed and recognise that soils are made from rocks and organic matter.

## Computing

- In computing, we will be looking at E-Safety. Pupils will understand the need to create and set strong passwords, the importance of staying safe online and Cyber Bullying.
