

Spring 2 Curriculum Overview

Year 3 + 4

English

- We follow The Write Stuff to support English teaching at the Regis Academy.
- The Write Stuff is based on two guiding principles; teaching sequences that slide between experience days and sentence stacking lessons. With modelling at the heart of them, the sentence stacking lessons are broken into bite-sized chunks and taught under the structural framework of The Writing Rainbow. Teachers prepare children for writing by modelling the ideas, grammar or techniques of writing.

Physical Education

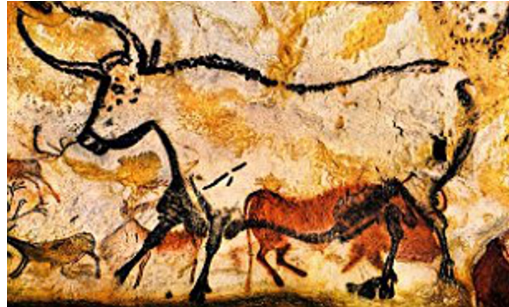

- PE will vary between sports, games and skills
-

MFL

- This half term we will be doing a block of French. We will learn how to introduce ourselves and say our age.
- We will also learn the months of the year.

Topic

We will continue to look at the Stone age. We will explore rocks and cave paintings. We will look at what life is like during this time as well as visiting Sarehole Mill for an experience day.

Science

- In Science, we will be looking at plants and the different parts and functions of them. We will look at what plants need to survive and the life cycle of a plant.

Mathematics

- We follow the White Rose Maths scheme at Regis Academy.
- This half term, we will be focusing on fractions and decimals.
- Children also complete Flashback 4 at the start of each Maths lesson to revise and recap basic skills.
-

RE

- Why does the Prophet Muhammad matter to Muslims?

Computing

- In Spring 2, we will be looking at search engines and the internet. We will be learning how to improve our searches to find the information we are looking for before creating an informative piece of work using it.
