

# Summer 1 Curriculum Overview

Year 3 + 4

## English

- We follow The Write Stuff to support English teaching at the Regis Academy.
- The Write Stuff is based on two guiding principles; teaching sequences that slide between experience days and sentence stacking lessons. With modelling at the heart of them, the sentence stacking lessons are broken into bite-sized chunks and taught under the structural framework of The Writing Rainbow. Teachers prepare children for writing by modelling the ideas, grammar or techniques of writing.

## Physical Education

- PE will vary between sports, games and skills

## Topic

- In Topic, we will be looking at the seaside and the coast in Britain.
- We will concentrate on key vocabulary, including erosion and tides.
- We will use a map and a compass to learn how to identify where we would find our coasts.

## Mathematics

- We follow the White Rose Maths scheme at Regis Academy.
- This half term, we will be focusing on decimals, money and time.
- At the start of each maths lesson, pupils will do Flashback 4 to help to improve and remind students of the basic maths skills.

## RE

- What is it like to be a Hindu?  
Community, Worship,  
Celebration

## Science

- We will look at animals and humans. We will look at nutrition for animals and humans. We will also identify different parts of skeletons and muscles for support.

## Computing

- This half term, we will look at digital devices and photography. We will learn how to compose images and add them to our work. Using these, we will complete a leaflet about our local area.
