## Sports Therapist

10 months Contract (July 2026 - May 2027)

18 hours per week

Salary Band - £27,500 - £28,999 PRO-RATA

The Albion Foundation is the official charity partner of West Bromwich Albion Football Club. A proud Albion Family, Engaged, Inspired and Achieving its Potential. Making a measurable difference in our local community.

The Albion Foundation appreciates that its greatest asset are its staff.

The Physiotherapist / Sports Therapist delivers high-quality injury management, rehabilitation and player welfare support to participants within the Girls' Games Programme (GGP) and Emerging Talent Centre (ETC), MJPL & Post 16 programmes ensuring activity meets TAF safeguarding, medical and player development standards.

The role supports the health, wellbeing and safe participation of players through evidence-based assessment, treatment and rehabilitation provision. Without this role, appropriate medical support and player care across all football pathway's would not be consistently maintained.

### AS A SPORTS THERAPIST YOU WILL:

- Delivers high-quality physiotherapy and sports therapy provision to players across the ETC, GGP, MJPL & POST Programme's ensuring participants can train and compete safely within an appropriate medical framework.
- Plans and delivers assessment, treatment, rehabilitation, and injury prevention programmes that meet the individual needs of players and support long-term athletic development.
- Maintains accurate medical records, injury data and player welfare information in accordance with FA requirements, professional standards and GDPR regulations.
- Maintains awareness of and adheres to all relevant health and safety, safeguarding and clinical governance requirements, ensuring treatment environments and equipment remain safe and compliant.
- Builds positive relationships with players, parents/carers, coaches, and multidisciplinary staff, providing clear communication regarding injury status, rehabilitation plans and player welfare.
- Contributes to the development of player support programmes by sharing medical insight, injury trends and welfare considerations with coaches and colleagues.
- Assesses, diagnoses, and manages injuries and illnesses, delivering effective treatment and rehabilitation programmes that support a safe return to training and competition.
- Provides pitch-side medical support during training sessions and matches, ensuring appropriate first response, injury management and player welfare provision.
- Promotes the physical and mental wellbeing of players through education, injury prevention strategies and appropriate referral pathways where additional support is required.
